# School Fees 2019

All Saints has established a scale of fees that is fair and equitable for all families.

School fees will be billed at the beginning of the school year. Please refer to the 2019 School Fee Pack.

School fees fund 20% of the cost running the school.

## Where our money comes from

## Tuition Fees

The cost of yearly tuition is as follows:

Family Income	Number of Children		
	1	2	3 or more
Below \$30,000	\$1,180	\$2,140	\$2,680
\$30,001-\$40,000	\$1,390	\$2,490	\$3,130
\$40,001-\$50,000	\$1,610	\$2,860	\$3,570
\$50,001-\$60,000	\$1,800	\$3,210	\$3,990
More than \$60,001	\$1,980	\$3,570	\$4,470

## Concessions

We offer significant fee concessions to families with more than one child at our school. To determine the appropriate level of fees for your family, you must present your last income tax assessment/s or four consecutive pay advices. All families will be billed at the highest level. Your account will be adjusted when the above information is provided to the school Business Manager.

## Other Fees and Levies

These fees and levies will also be billed at the beginning of 2019 and will be payable over three terms.

- Composite Fee of \$638 per child
- Building Fund Levy - \$280 (per family)
- Fundraising Levy (P&F) - \$60 (per family)

## Automated Billing

Invoices for the full year's fees will be sent out by Week 4 of Term 1. Reminder statements will be sent out for Terms 2 and Term 3 by Week 2 of each term.

## School Card

Due to changes in the method of funding Catholic schools by the Commonwealth and State governments, school card funding allowance is no longer able to be provided.

Families previously eligible for school card will now need to provide income details to the Business Manager to determine any concessions.
