Our Philosophy:

We at All Saints Catholic Primary School believe/understand that:

- Safety, a basic human right, is a pre-requisite for our school to be able to carry out our mission to educate.
- Students have the right to be emotionally and physically safe at all times.
- The dignity of the human person is fundamental to Catholic teaching.
- We are created in the image of God.
- We have a duty of care to all students enrolled at All Saints Catholic Primary School.
- The development of social and emotional competencies has a positive influence on learning outcomes for all student.
- Behaviour is a form of communication that is driven by the needs of each student.
- The values of justice, compassion, love and reconciliation guide our relationships with students.
- It is important to address the underlying needs of all students.
- We are spiritually aware and guided by our Catholic faith.
- Every person is part of the Body of Christ and their physical, spiritual, social and emotional growth towards personal and social responsibility, and self discipline, is a life long process.
- Restoring relationships is fundamental to flourishing in a world God desires.
- We are a trauma sensitive school that nurtures the individual needs of students.
- We follow the Berry Street Education Model domains Body, Relationship, Stamina, Engagement, Character.

Our beliefs:

"A spirit centred community of learners inspired by Jesus, seeking integrity and fullness of life."

Be Respectful Be Safe Be a Learner

Purpose:

Through the application of this policy, we at All Saints Catholic Primary School aim to:

- Develop thriving people, capable learners, leaders for the world God desires.
- Support our students in becoming self-aware, moral, compassionate, collaborative and socially adept.
- Demonstrate the Gospel values of freedom, love, compassion, reconciliation and justice for all supported by an underlying belief in the dignity and uniqueness of every human person.
- Ensure the safety and wellbeing of the child is considered paramount in every situation.
- Encourage responsibility of one's actions and emotions.
- Develop a deeper understanding of the impact of wrong doing on people and relationships.
- Encourage participation in agreements with regards to future behaviours and the carrying through
 of these.
- Encourage positive behaviours desired by the school community/values.
- Support and acknowledge success with effective relationships.
- Encourage growth of our students with many opportunities to develop positive relationships, build resilience skills and form deep connections in a learning community.

Responsibilities

In support of this policy:

The Leadership team will:

- Model and support values of compassion, reconciliation, justice and inclusivity.
- Promote the development of relevant teaching practices and methodologies that support the individual needs of students.
- Ensure that the school works collaboratively with the school community in implementing a school-wide approach to positive behaviour support.
- Ensure staff are trained in the SEL curriculum and various programs we use to support positive behaviour.
- Ensure the staff and students are aware of our process and policies around positive behaviour support.
- Provide opportunities for staff to gain knowledge, understanding and skills in modelling and teaching positive behaviour.
- Seek collaboration with CESA Inclusion Team and other outside agencies when supporting students and families in wellbeing.
- Encourage staff to listen effectively to students and counsel them appropriately.
- Lead the implementation of trauma sensitive practice (BSEM) and ensure staff are trained and consistent in these practices.

Staff will:

- Promote our 3 main expectations in the classroom and the yard Be Safe, Be Respectful, Be a Learner.
- Know the children and plan consistent learning experiences.
- Establish clear expectations, teach routines, rules and positive behaviour.

- Engage and begin to build positive working relationships with individuals and groups using explicit teaching of social skills.
- Model positive relationships with students, colleagues and families.
- Engage in regular conversations with students regarding their behaviour and use affective statements.
- Create welcoming, safe, respectful and positive learning environments for all students.
- Follow the SEL curriculum and practices of All Saints Catholic Primary School.
- Promote an inclusive environment that respects the individuality of each student.
- Follow the principles of restorative practice and conduct triage conversations with students who require support with behaviour.
- Work with the leadership team to create individualised positive behaviour plans for students requiring intervention.
- Fulfil duty of care.
- Be positive, fair and consistent through the use of our behaviour management flowchart.
- Inform parents/carers when necessary of any concerns.
- Inform and seek support from leadership if repeated disruptive behaviour occurs.
- Support students in carrying out their individual focus plans when needed emotional regulation.
- Use trauma informed practice which permeates all areas of teaching and learning.

Students will:

- Be Respectful, Be Safe (safe hands, safe feet, safe mouth) and Be a Learner.
- Interact positively with others.
- Restore broken relationships with the support of staff.
- Accept responsibility for their choices and behaviour.
- Participate in the restorative process when relationships have been harmed.
- Work cooperatively and participate in SEL lessons to the best of their ability.
- Seek support from staff to practise positive behaviour.
- Develop and practise strategies that promote positive behaviour and relationships.
- Create individual focus plans to support their emotional regulation throughout the school day.

Parents/carers will:

- Work cooperatively with the school to promote positive behaviour and respectful relationships.
- Support their children in developing resilience and responsibility.
- Support the school's philosophy in restorative practice and behaviour management.
- Communicate with staff about any concerns regarding their child's wellbeing.
- Work in partnership with their child's teacher and the school leadership team to develop strategies for consistent positive behaviour.

Behaviour Management Flowchart

School expectations are followed

Be Safe Be Respectful

Be a Learner

Student chooses not to follow school expectations

Non-verbal/verbal interventions by class teacher/ teacher on duty. Refer to student's focus plan, give cool down time if needed. Affective statement (see appendix 4). Restorative conversation with logical consequences.

Restorative Conversation

- 1. What happened?
- 2. Who was hurt?
- 3. What was damaged?
- 4. How can this be fixed?

Student continues to not follow school expectations. Or refuses to engage in restorative conversation. Engage in Triage Conversation with leadership support (see appendix 3).

Follow up missed learning and notify parents/carers.

Student must participate in triage conversation before returning to class or play. In cases of conflict this could involve a restorative conversation with others involved. If student chooses not to engage in triage or restorative conversation, then they will remain in the office with leadership. Parents/carers notified.

Student continues to not follow school expectations. If behaviour is of a serious nature or is repeated (physical violence, harassment, illegal) the student may be sent home for the remainder of the day. Re-entry meeting with parents/carers and leadership is required before returning to class.

Triage Conversation

BSEM Strategy

START

"You're strengths are... And I know you have the values of..."

This is a positive beginning to a difficult conversation. Mention the character strengths of the child, eg. "You have the strengths of loyalty and honesty..." however do not say BUT after the positive compliment.

This simple statement is acknowledging that it was a bad day without referring to a bad history or a bad future. The point is that each day is new and the focus is on how we can reflect on and fix what went wrong today and start a new fresh day tomorrow.

This is letting the child know the importance of school as a place of learning and that missed learning will affect their learning journey. Having a triage conversation does not mean they are getting out of doing work.

"One more thing. We've got to make sure you complete the work that you have missed."

"Let's talk about what we need to do to restore the relationships that have been challenged today. How do you think she/he felt when you said/did that? What can we do to make the relationships right again?"

This is a time to discuss who was affected and how. The Individual Conference Script card (Restorative Practice) can be used which involves asking the child how they think they can restore any relationships that have been broken.

"What went
well in this
conversation?"

Appendix 4

This Prompt Card is used by staff to support of our restorative practice.

AFFECTIVE STATEMENTS

- 1. AFFIRM THE RECIPIENT
- 2. STATE THE OFFENDING BEHAVIOUR
- 3. TELL THEM HOW YOU FEEL
- 4. STATE THE DESIRABLE BEHAVIOUR
- "I" STATEMENTS THAT EXPRESS FEELING.
- Make students aware of Positive/Negative IMPACT of THEIR BEHAVIOUR.
- FOCUS ON BEHAVIOUR NOT WORTH OF THE PERSON.
- RESPECTFUL IN TONE.

"YOU'RE SUCH A VALUABLE MEMBER OF OUR CLASS AND IT MAKES ME UNCOMFORTABLE TO HEAR THAT LANGUAGE IN MY CLASSROOM. I WOULD LIKE YOU TO SPEAK RESPECTFULLY TO OTHERS. "

BSEM COMMON LANGUAGE

BEGIN EVERY DAY WITH A MORNING CIRCLE

- 1. Greeting
- 2. Values
- 3. Expectations
- 4. Announcements
- 5. Positive Primer
- 6.WWW

WWW - WHAT WENT WELL

This is a reflection strategy that classes can use to recognise the positive aspects of a lesson/time frame/day. The class generally stands in a circle for this strategy.

TRACK THE SPEAKER

When someone is speaking to the class it is respectful to give them eye contact and listen. There is only one speaker at a time.

FOCUS PLAN

Every student in the school has a personalised focus plan that outlines their deescalation strategies and how they can be ready to learn if they are feeling escalated.

ESCALATION AND DE-ESCALATION STRATEGIES

These are used in brain breaks.
Escalation strategies are used to reengage children after periods of intense rigour. De-escalation strategies are used to help children re-focus on their learning when their mind is over stimulated.

POSITIVE PRIMER

This phrase refers to a fun and uplifting 2 minute activity that helps students feel energised, happy and in a positive frame of mind therefore ready to LEARN!

BRAIN BREAK

Brain breaks are small activities throughout the day to improve student engagement in learning. It is up to the teachers discretion to decide when escalating and de-escalating brain breaks are needed to ensure students are ready to learn.

My Focus Plan

When I am stressed I feel like this

I will look like this when I am in my power
