Parents & Friends - Building Community

In contributing to the life of our school community by volunteering your time and talents in whatever way best suits you and your busy lifestyle, you will be giving yourself the opportunity to:

- Make new friends.
- Learn new skills and share your particular skills and talents with others.
- Have time out from the usual routine of work, home and other commitments.
- Be a role model to your child/ren and other parents/carers.
- Send a strong message to your child about the value you place on their school in particular and their education in general.

Volunteering your time and talents to support our school community has benefits for your child, for you and for our school. You may own a business or have an art and craft background that could be useful. Maybe you know someone that knows someone? All help is greatly appreciated.

Thank you

Helen Thompson and the Parents & Friends Committee

Please return the slip below to the Front Office via your child’s office box.

---

Parents & Friends Volunteers
