Making your transition from primary school to secondary school...
To find out more about All Saints Catholic Primary School and Cardijn College contact our schools to arrange an appointment to discuss your child’s needs or to receive an invitation to attend our tours.

Parishes
Our Parishes are active and vibrant communities where young and old are welcomed.

The Parishes also work closely with our schools to ensure regular support for students and their families.

Your child’s pathway from...
All Saints Catholic Primary School to Cardijn College and Marcellin Technical College
South Coast Catholic Schools
Your choice of school can mean so much to your family. It provides the best education, a start for your child’s future and a community that offers your family support, friendship and connections as your child grows.

South coast Catholic schools provide an important foundation for the wellbeing of every child. Catholic education helps shape your child and offers a safe environment with positive influences.

Our curriculum is based on national guidelines and offers a strong foundation in the early and middle years leading to senior school, tertiary, vocational and further training and career opportunities.

Our schools work side by side to ensure that your child’s transition from primary to secondary school is successful.

Your Transition from All Saints Catholic Primary School to Cardijn College and Marcellin Technical College

All Saints Catholic Primary School at Seaford promotes the values and teachings of Jesus Christ, within a spirit-centred community of learners. All Saints provides a welcoming environment where staff work in partnership with families, in working towards successful learning outcomes for all children.

Our safe and secure school features large playing areas, beautiful classrooms and a wide range of extra-curricular activities. Our children are excited to continue their learning journey at Cardijn College.

Year Levels, Reception - Year 7

Cardijn College is committed to providing a high-quality education which embraces the full human growth and development of its students. Cardijn will facilitate and strive for the pursuit of excellence and skill according to the aspirations, talents and gifts of each student. We also encourage the recognition of the individual’s dignity and self-respect, a respect for their heritage and culture and a sense of hope and confidence in the future. We believe Cardijn’s mission is also to support the responsibility that parents have as the prime educators of their children. Cardijn supports, complements and involves them in that process.

Year Levels, Year 8 to Year 12

Marcellin Technical College
A place at Marcellin Technical College is a great way to start your trade career while still at school. In a trade-focused college environment, our students receive personalised learning and training from our experienced mentors and industry-qualified trainers. At Marcellin you not only get a trade and complete your SA Certificate of Education but also obtain employability skills, industry experience and can start an apprenticeship. Our programs include: Carpentry, Furniture and Cabinet Making, Electrotechnology, Automotive, Mechanical Engineering, Metal Fabrication, Animal Studies and Viticulture. We offer a unique program in the middle of the year – Accelerated Program Into the Trades that allows young people to start their trade career earlier – from Year 10-11.
