Dear Parents/Carers,

Your child has recently attended a training session for children preparing to operate as Children Crossing Monitors and your permission is sought to enable your child to be rostered for duty. Your child has been trained by the Police instructor and therefore officially authorised to act as monitors.

The Crossing is an important part of keeping our children safe and All Saints values the responsibility and acknowledges it through the leadership program. We would appreciate that every child trained as a Monitor is given permission so that the workload is distributed fairly.

Children will be rostered on for a week of morning or afternoon duty. With all children participating it means your child would officially be rostered on for a week of mornings or afternoons twice over the school year.

We trust you will allow your child to participate as a monitor, valuing the safety of our community.

Please return the slip below to the class teacher by Friday 6th Feb.

Regards,

Year 6/7 Teachers
