Learning Conversations

Dear Parents and Carers,

Learning Conversations will be held in Week 6 of this term. These are important conversations between the child, parent/carer and teacher to reflect on the children's learning so far this year. Learning Conversations are a critical part of our reporting to parents and carers as well as an opportunity for the children to play an important role by participating in these conversations. We expect all families will take up this opportunity.

During these conversations the children will be encouraged to talk about their learning. This will include those aspects where they feel successful as well as any challenges they may be experiencing. Goal setting for the future will be an important part of the conversation.

Parents and carers will be encouraged to fully participate in these children led conversations and will also have the opportunity to ask questions to clarify classroom programs and expectations.

Each interview will be scheduled for approximately 15 minutes. Where possible we will try to accommodate families who have more than one teacher to see, by scheduling interviews on the same day. If at all possible we would encourage families to seek childcare for toddlers so that the conversation can be focussed more fully on your child's learning.

Please complete the attached form and return to your child’s class teacher by Tuesday 24 February. If, for any reason, you are unable to attend please contact the class teacher to organise another time.

Thank you

Justin Cavuoto
Principal
