The Hundred Languages of Prayer in R/1 L and R/1 R

In R/1 Le Duff and R/1 Rushby we have been exploring different ways of praying that are meaningful for us. We wanted to share these with you.
From The Deputy Principal

Welcome Back to Term 4
I hope you all found some time to relax during the holidays. The children are already highly focussed on their learning and this has made a very smooth start to Term 4. Please remember that the end of this week concludes the transition period from Winter to Summer uniform. The children have been looking really smart in their uniforms and it is good to see them wearing their hats when involved in outdoor activities. The Summer sports uniform is only to be worn on your child’s class sport days—please see the class teacher if you are unsure of which days these are.

Wearing the correct school uniform shows care and respect for our school community. If for any reason your child is not able to wear the correct school uniform please inform your child’s class teacher via email or a note in their diary.

Soiree 2015
Our Music Tuition Program has been very successful once again this year due to the wonderful work of Sue Russell, Lisa Almond, Sean Olser, Katie Edwards-Maiden and Harley Campbell. These teachers have taught the children a variety of musical instruments including guitar, piano, violin, drums, bass, saxophone, clarinet and voice. This year’s Soiree will be held in the hall next Tuesday, 27 October beginning at 5.30pm. The setting for the night will be ‘cabaret style’. You are invited to bring a plate of supper and light refreshments to share with your family group. Tea and coffee will be available. There will be a gold coin donation that will be collected at the door. This money will be given to a local charity to help families in need. Everyone is very welcome to join us on the night.

Photos of Children on Social Media
We understand that as parents & carers, we are very proud of our children participating in sporting events, attending excursions or taking part in any school function, however unless parental consent has been given for all children in a still or moving image or audio recording, it should not be posted on social media. As well as respecting the privacy of our families, we also need to protect children under protection orders put in place by the Family Court. Thank you for your support in helping to keep our children safe.

All Saints Day
On Friday, 30 October we will celebrate All Saints Day. We will begin the day with a Whole School Mass in the hall at 9.15am. For more details please see RE News on Page 3.

Class Placements for 2016
We invite parents/carers to make an appointment with a member of the Leadership Team if there are special or unique circumstances you feel we should be aware of as we begin to shape cohorts (classes) for 2016. I must stress we will not accept requests for teachers or to be with certain other children. This is at the complete discretion of the Leadership Team and staff. In most cases we will be aware of your information but it is always good practice to ensure we don’t miss anything important. The cut-off date for such correspondence is Friday, 30 October (Week 3, Term 4).

New & Ratified Policies
The School Board has now approved a new policy: First Aid & Medication Policies & Procedures. We ask that all parents/carers read this policy in full as it describes, in detail, the policies & procedures around which medication is accepted at school and how it is administered. In particular, we are no longer able to administer any medication (including Panadol or other analgesics or over the counter medication) unless it is prescribed by a doctor. If you would like to discuss this policy further, please feel free to make an appointment with one of the Leadership Team. Please find the links to our other ratified policies on the website: Positive Resolution Policy for Children & Young People and Positive Resolution for Parents/Carers.

New Building Project
We are embarking on an exciting building project at All Saints. As the number of children increasing, so is the need for added spaces. These spaces will be much appreciated once this project is complete. At the moment our plans have been submitted to Onkaparinga Council and we are awaiting their response. We will keep you in the loop as more information comes to light.
Sacramental Program 2015/2016
I am collecting names of children that would like to enrol in the 2015/2016 program. If your child is in Year 3 or older, is baptised and is interested in celebrating the Sacraments of Initiation into the Catholic Church please complete the form that all Year 3 children have received. If your child is older and interested, please collect a form from the Front Office and return as soon as possible. The program will begin this term with the Sacrament of Reconciliation. Confirmation and Holy Communion will be celebrated in 2016. If your child is interested in being Baptised please contact me so preparations can begin. All children who have expressed an interest in the Sacramental Program will receive a letter next week with dates for the workshops and celebration of Reconciliation.

Baptism
Congratulations to Jessica in 4O, who celebrated her Baptism last Sunday at Family Mass. It was a lovely addition to the Family Mass with Jessica being supported by many members of her extended family and friends. She even had relations travelling from overseas to be with her on her special day!

All Saints Day 2015
Mark, Friday 30 October in your diary. All Saints are heading down to the beach to celebrate our special day, The Feast of All Saints. We will begin the day with mass, 9:15am in the hall. The whole school will then walk down to the beach at 11:30am. It was a highlight of last year, so please come along and join in the fun. Please ensure your child has returned their permission form to their classroom teacher.

Welcome to Australia Walk
On Saturday, 30 October there is a Nationwide ‘Welcome to Australia Walk’ in support of Refugees and Asylum Seekers. Locally there is a Walk at Willunga, gathering at the Court House, Main Street Willunga at 10:45am. The community will walk to the Rose Garden. At the Rose Garden there will be three speakers and some music. If you are passionate about Social Justice issues, your support at the walk would be greatly appreciated.

Discover Indonesia Study Program
During the last school holidays I travelled to Jakarta to take part in the Discover Indonesia Study Programme. I was a member of eleven representatives from Catholic Education South Australia who joined 30 educators from around Australia. The purpose of joining the study tour was to enrich the teaching and learning at All Saints. The Religious Education Curriculum explores the different world religions. The Australian Curriculum also includes the cross curricula priority of Asian Perspectives. Highlights of the tour was watching the sunrise at Borobudur a Buddhist monument built in the Ninth Century, visiting Prambanan a Hindu Temple built in the Tenth Century, touring the Istiqlal Mosque (the largest mosque in Southeast Asia) and visiting the Jakarta Roman Catholic Cathedral, exploring their museum. It was also great to have the opportunity to visit a couple of schools. Communicating with the children and taking part in their lessons and engaging in professional dialogue with the teachers working in Jakarta schools. It was a brilliant experience to share with educators from around Australia. I have many ideas and initiatives that I will be sharing with my All Saints colleagues and look forward to putting these ideas into action in the All Saints community.

ITALIAN CORNER

Bentornati! Spero che voi abbiaate passato una buona pausa.
(Welcome back! I hope you all had a great break)

With All Saints Day fast approaching we have been looking at I Santi (The Saints) in Italian, with a particular focus on those who were either born in Italy or spent much of their life living in the country. We have been discussing what we think it means to be a Saint and how each of the Saints drew on their own personal qualities to help those around them. We have also reflected on our own lives and looked at ways we can be inspired by the lives of the Saints to become better people.

I bambini (the young ones) have been looking at traditional ‘Santini’ cards and creating their own versions based on a Saint of their choice. ‘Santini’ are prayer cards paying homage to Saints and are commonly collected by children in Italy.

In the meantime, the older children have been taking a brief look at a number of Saints before engaging in their own self-directed research projects based on a particular Saint whose life and teachings resonates with them. We are looking forward to seeing the finished products which we will put on display throughout the school.

Grazie per l’attenzione e cordiali saluti a tutti!
(Thanks for your attention and best wishes to all!)

**Bookclub catalogues have been sent home this week. Scholastic have changed their catalogues, so we now get one catalogue for all age groups. This means you are able to order from any age group.**

**ALL orders need to be back by Tuesday, 27 October at 3.00pm.**

We are unable to take any later orders as they must be sent in to Scholastic. Some of you have used the new LOOP (Linked Online Ordering & Payment) system already, this is when you pay by credit card online, you also put your order through at the same time. The order form then stays at home and doesn't need to come into school. The LOOP system is a great way to make sure there is no human error with your order. Orders should arrive around Week 4 or 5 this term.

Thank you for all your support with Scholastic Bookclub. The more books you buy, the more free books for our Resource Centre.
