Sports Day
In the last couple of weeks we have had some wonderful ceremonies which I believe reflect the Spirit and vision of All Saints. The Remembrance day Liturgy was as poignant as it was powerful. The Premier’s Reading Challenge Awards ceremonies saw multitudes of bright, proud faces who recognised their learning as important. The Family Mass held at St Luke’s last Sunday was wonderfully attended and had a great atmosphere. These are just a few of the many special moments which affirm the foundations of our school. We are proud they happen here and are glad the children draw great confidence and personal pride in being part of the respectful culture we enjoy at All Saints.

Like in all large gatherings there are going to be tricky moments. Relationships are of this nature. We strive daily to build and rebuild at times, these relationships so God’s gifts to each of us can be realised and enjoyed. To this end, All Saints staff have been working all year on reviewing and developing a new “Building Personal Responsibility Policy” which will become effective as of Term 1, 2016. We are confident this policy will be built on principles of inclusivity, respect for the dignity of each person, restorative justice and practice, and importantly, safety of all people.

The School Board have now approved the Pupil Free days for 2016. Two of the critical ones are **MONDAY, 1 February 2016** and **FRIDAY, 11 March** (the FRIDAY before Adelaide Cup long weekend). These days for part of the commitment All Saints is making to intense professional learning for working with children who have dyslexia and significant reading difficulties. The other half of their professional learning time required will be achieved through weekly staff meetings. This is step 1 of the new LITERACY STRATEGY 2016—2018 which will be rolled out next year. I thank you for supporting the staff in this way.

While some adjustments are still occurring to class cohorts, the period of consultation around placement has concluded and the teaching resources are set for 2016. Please note: Your child will discover with certainty which teacher/s they will have as well as the classroom they will occupy in Week 9 of this term and the decision is final.

It gives me great pleasure to announce the following.

Family Mass
The Year 6/7 children came together with the senior children from St John the Apostle to celebrate Family Mass at St Luke’s last Sunday at the Youth Mass. It was a lovely celebration that the children participated reverently in, reading prayers and taking part in the processions. During the Family Mass the 2015/2016 Sacramental Program candidates and their families were presented to the community. The parishioners all committed to support the youngsters on their year long journey.

The children will celebrate Reconciliation on Wednesday, 18 November at St Luke’s.

Sacramental Program 2015/2016
We have a large group of children enrolled in the 2015/2016 Sacramental Program. The children and parents gathered on Wednesday to explore the faith journey that they are embarking on over the next year. The children will celebrate the Sacrament of Reconciliation next Wednesday, 25 November at 6:00pm at St Luke’s Catholic Church, Noarlunga.

Remembrance Day Liturgy
On Tuesday, 11 November at 11:00am All Saints joined many Australians and paused in silence to remember those who have died in war. Mr Wright’s Year 7 class led the community in honoring the memory and lives of our sisters and brothers who have died in the wars of our nation. All Saints gave thanks to the men and the women who have served, and are serving, in the military services of our country. Remembrance Day is a time to pray for peace, to think about what we are doing as individuals, as a community and as a country to bring God’s peace into the world.

Every child created a poppy to contribute to a piece of art work. We displayed the masterpiece at the front of our school to honor the soldiers who fought for our freedom today and in the past and the soldiers who lost their lives. The children wanted to let the Seaford community know that ‘We Will Remember’. The piece of art work is now hanging proudly in the front office, come in and check it out!

World Peace
Many children arrived on Monday morning expressing their concern and compassion for the tragic events that unfolded in Paris last week. We responded to the children’s needs by placing a cross draped with the French colours in our courtyard. The sacred space became a place for the children to visit and pray, place prayers they had written and many of the younger children placed love hearts they had created.

ITALIAN CORNER

Ciao a tutti! (Hello to all!)
In Italian the children have been continuing their research of I 7 Continenti (The 7 Continents) and plotting where countries are located on the world maps they have been creating and decorating. It has been great to see the wealth of geographical knowledge that the children bring with them into the classroom. They’ve even taught me a thing or two!

As we’ve looked at a range of nations around the world we have been looking at landmarks that can be found in each location and then using this knowledge to create culturally specific stamps relevant to each country. Here are a couple to check out!

Nel frattempo (in the meantime) we have also been learning how to say the directions of the compass and i bambini (the young ones) have been taking part in orienteering activities using the newly learnt vocabulary: Nord (North), Est (East), Sud (South) & Ovest (West).

As we draw closer to the end of the year we will begin looking at the theme of Il Natale (Christmas), which is always a personal favourite of ours as Italy has such a rich religious and cultural affinity to the festive period.

We look forward to sharing more of our learning with you in the next newsletter.

Alla prossima volta!
(Until next time!)
Signor Vaudo & Signora Pardoe.

**Friday Fruit Time!**

At All Saints, we take inspiration from the principles of Reggio Emilia, striving for a strong community that is in relationship with each other and creating a community of people inspired by Jesus, which is part of our vision. With these two things in mind we embarked on the idea of Friday Fruit Time, a time where the Year 6/7 children prepare and share fruit with the Reception—Year 3 classes. We had our first Friday Fruit Time on Friday, Week 4 and it was heart-warming to see the children from Reception—Year 3 gathered in The Courtyard, sitting beautifully in circles (a beautiful symbol of the never ending love) smiling, laughing, sharing conversation and of course delicious fresh fruit, prepared wonderfully by our Year 6/7’s, Craig and Ruth.

In Week 6 and 8 we will be holding Friday Fruit time again and extending our vision to include the whole school. You can help us make this time successful by sending a piece of whole fruit along with your child and placing it in the brightly coloured bowls in the classroom on Friday morning. Here are some children’s thoughts on Friday Fruit Time from R/1 F:

- *I thought the fruit time was good because everybody got to share the fruit all together and we all got to sit with each other.* Alicia
- *The Year 6’s did a good job cutting up the fruit.* Hayley
- *The Year 6’s were speaking nicely.* Annalyn
- *It was very, very tasty.* Alicia

“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.”

Hebrews 10:24-25

Children who require individual health care support from staff will need a health care plan from their doctor. Any medication required to be administered during school hours must be handed to Front Office staff who will store it securely in a locked cabinet. Medications are NOT to be kept by children in their school bags, lunch boxes or on their person (except Asthma puffers & spacers which MUST be kept in the child's school bag for easy access).

Medication must be:
- prescribed by a doctor. This includes analgesics and other medication that can be bought over the counter.
- only sent if needed. Medication that has to be taken three times per day can be taken before and after school, and before bedtime, and not come to school at all.
- delivered in the original container, with the label from the pharmacy. You can ask your pharmacist for a second, labelled container to keep the extra medication at home.
- within the use-by-date.
- come with written instructions and/or doctor's medication plan.
