Dear Parent and Carers,

Children will be taking home an alphabet book with the letter-sounds that they are working on. They can add drawings that begin with that sound, practise identifying or writing the letter-sound, make it with play dough, write it with chalk or in sand. The letter-sounds that I would like you continue working on at home will be marked by a dot sticker. Please leave the page blank if there is no dot sticker, as this will be part of our lessons at school. However it would be wonderful to practise any letter-sounds at home through the above examples.

This workbook will also be worked on in class so it is important to make sure that this comes to school each day in their reader folder. Children will also be taking home sound cards to help assist them in their sound/letter recognition. These will also come to school each day in their reader folder and then be given back to the teacher once they know all of their sounds and letter names.

I am also sending home name templates for each child. It would be great if you could work with your child to practise writing your their name following the letter formation on the template. These templates can be kept at home.

Thank you for your ongoing support.

Many thanks,
Alicia Farina
