

TERM 2 WEEK 10

NEWSLETTER

All Saints Catholic Primary School

FROM THE DEPUTY PRINCIPAL

MEGAN LOVERING

Dear Families and Friends of All Saints,

I would like to thank you for your continued support over the last term. It has been wonderful to welcome families back onto the school grounds and begin to see the return of some of our school gatherings. I would also like to acknowledge and thank all the staff for their dedication and work during this time.

Last week, our Year 6 children and staff, were invited to attend Antonio Primary School and listen to the highly sought-after speaker, Sam Bloom. Sam is a two-time World Para-Surfing champion, bestselling author and the inspiration behind the Netflix movie, Penguin Bloom.

Sam's life was crushed by a freak accident which left her paralysed from the chest down. Sam spoke about what it means to become truly resilient and face your deepest fears. As we listened to Sam's incredible story, our hearts were broken but we felt truly inspired.

In Term 3 we will welcome 21 new Reception children to All Saints. Over the last two weeks the children have experienced their transition visits and are beginning to settle into their new classes. We extend a warm welcome to our new families as they begin their time with us, as well as four more children joining us, in other year levels.

I would like to congratulate the Girls SAPSASA Football Team who won their second round yesterday and will be competing in the State Final next term. What a truly incredible achievement for the girls.

At the end of the Newsletter there is some important information from Catholic Education SA about school fees for the 2023 school year. Please don't hesitate to contact Terence Corcoran, our Finance Manager, if you would like further information.

Staffing

We welcome Michael Ellul who will replace Stephanie Crowe as Assistant Principal for Term 3 whilst Steph is on leave. Michael is a highly experienced teacher and comes to us from Sacred Heart College.

Kym Bainbridge will finish her time at All Saints and Alistair Fleming will teach 5 Baker. Alistair is currently teaching at Brighton Primary and has previously worked as an Education Support Officer at Our Lady of Grace School, Glengowrie.

Sherrilie Burton will be teaching 5K for the remainder of the year.

Finally, we would like to wish you all a restful holiday break and we look forward to seeing you all back on Tuesday 26 July.

Best wishes,
Megan Lovering and Staff

Liturgies and Prayers

What a wonderful term we have had full of celebrations. The term began with each Year Level group joining together for Easter Liturgies in the Hall. Since restrictions were lifted, we have been able to gather as a school community once again.

Each Monday morning, weather permitting, the Year 6 Leadership Group have lead our school in prayer. It is a great way to begin our week and set a focus and goal across the school. Most of the prayers this term have been based around scripture, highlighting how we can be friends. We have also focused on Reconciliation Week and Refugee Week. You are all more than welcome to join us.

On Wednesday this week, the Year 1 children lead a beautiful celebration thanking God for the Gift of Creation. Thank you to the families and friends who were able to join us and all the generous donations for the SEM.

Social Justice

Social Justice continues to be an important part of our Catholic Identity at All Saints. This term, we have been raising money and awareness for the St Vincent De Paul Society. We have collected clothes and blankets, raised \$840 through our PJ Day and made soups and food which was used to feed our local community.

Sacramental Program

Ava C, Ava J, Sophie, Charlotte, Alysia, Taliya are Maddi are continuing their initiation into the Catholic Faith. Next term they will be working with Mr Ellul to prepare for the Sacrament of First Communion. Please keep these children in our prayer. The children will be celebrating the Sacrament of First Holy Communion at 9am Sunday the 21st of August at the St Luke's Church. It would be wonderful to if you could join us in the celebration.

Term 3's focus is Catholic Charities. We will be hosting a Walk a Mile in my Shoes Day on Tuesday 9th March.

Praying for a safe holiday

Loving Lord, we thank You for times of rest and relaxation and the opportunity to refresh our spiritual and bodily batteries. As we approach school holidays, we ask that You would release any stresses or strains that we may have built up over the past months...and help us to switch off our mind from the urgent things that may be mounting up, so that we may return reinvigorated and ready to learn.

Amen

All Saints will take part in Walk a Mile for the Hutt Street Centre on Tuesday 9th March.

YOUTH MINISTER

SIMONE FREEBORN

Hello everyone, I am so pleased to announce that we have now completed our Less to Landfill School Challenge and both 1P and 5B have tied as the winning classes that kept their waste to a minimum during this time! Congratulations 1P and 5B for showing great commitment, dedication and care for reducing your class waste. These two classes have been rewarded with a movie and popcorn.

Some special mentions to 6S, 2T, 1Y and RV for putting in excellent commitment and consistency in all the weeks during this challenge.

Well done to our whole school for putting in their best effort to be a part of this challenge and I am sure we will all be more conscientious when sending waste to landfill.

Have a great break everyone!

YEAR 6

TJILBRUKE CUP

Each Friday afternoon, the Year 6 level have assembled in teams grouped across the year level to compete in our Tjilbruke Cup. Points were given for cooperative and respectful behaviour throughout the term and weekly winning teams earned themselves a zooper dooper. The end prize for the overall winning team was a pizza lunch complete with drinks and garlic bread. Well done to the winning team! The Hot llamas!

SPORT

TOM KNAUER

On Thursday Week 9 the All Saints boys Football team competed against Tatachilla College and Eastern Fleurieu School in their opening round of the State Wide schools competition. Despite their best efforts the boys were beaten by some quality opposition.

Charlize, Lila and Sophie represented All Saints at the State Hockey Carnival as a part of the Onkaparinga South district team. The 3 girls had a successful week growing in confidence as the week progressed, combining together to score a goal in one of the games.

Jess, Ayva, Summer & April representing at SAPSASA Netball.

Winners!! The girls football team defeated Woodend PS and Belair PS in their Round 2 games and have advanced to the state final, to be played Thursday 4th August. Well done to all the girls involved, they played with great skill and aggression to get the win.

YEAR 4 BEVANS

SUPER SCULPTORS!

Year 4 Bevans have been busy with combining our HASS, Science, Arts and Digital Technologies to make these amazing plasticine sculptures.

DIET: fruits, vegetables, insects, and eggs. They are an omnivore.

After researching animals native to South America and Africa, we decided on one we would like to make and learn more about. We looked at its diet and habitat. We found some interesting facts and created its life cycle.

We are very proud of the final results and hope you enjoy them too.

School fees for 2023

We are pleased to inform our school families that there will be no increase in school fees for the 2023 school year.

As South Australians continue to feel the impact of COVID-19, Catholic Education SA has announced it will freeze fees at its 86 Diocesan schools for the 2023 school year.

"These decisions are part of our continued COVID 19 response as we seek to support families at a time when they are being impacted by rising costs and inflation," says Dr Neil McGoran, Director, Catholic Education SA.

Since 2019, Catholic Education SA has been implementing the *Making Catholic Education More Affordable Initiative* to ensure our schools are accessible to any family who wants their child to have a Catholic education.

Dr Neil McGoran said the fee-freeze would not impact the quality of education.

"We're committed to keeping school fees as low as possible and ensuring a Catholic education is affordable and accessible to all."

In addition to the fee-freeze, further fee remissions are available to any family who is struggling to pay school fees due to financial pressures. Families should contact Terence Corcoran for more information.
